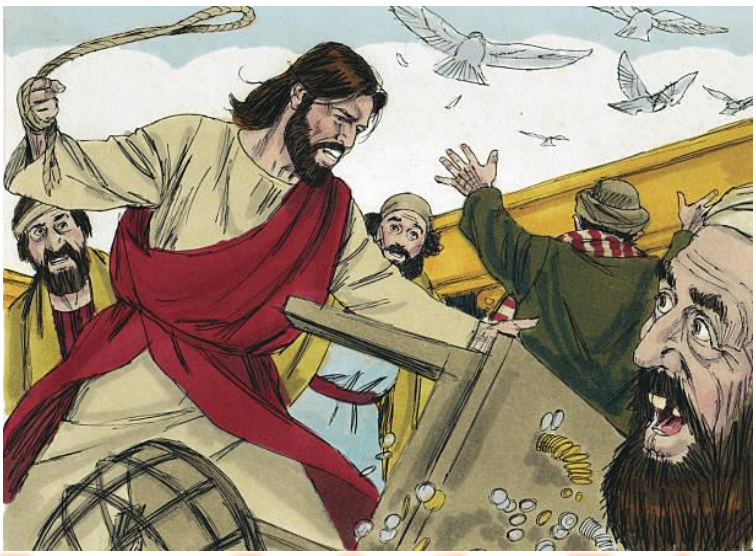
The Punishment Of My Greedy Televangelist Extortioners



"My people refuse to obey Me. And that goes for Campmeeting. My people refuse to obey Me because they are greedy for money. Few will do My will, My son. They stay behind because they refuse to do My will to preach the Gospel unto all the world. My people stay behind because they love the stuff of this world, including its money, therefore they will not go. They think by giving Me money they will get rich. That is far from the truth. I said to give so that you will have treasure in Heaven, not on Earth. Your heart is where your treasure is, My son. My extortioners promise them money, therefore many lose faith. They destroy My people with false promises, My son. I said go into all the Earth, not to accumulate money, My son. It is true that I give to all, but your purpose is not to get rich, but to obey Me, My son. That is what they refuse to do, therefore My judgment is on their lives. They refuse to use My money to preach the Gospel, but to get rich, therefore My judgment is on their lives, My son. They refuse to obey Me, but instead spend My money accumulated on self, not on Me. They refuse to go into the mission fields of the world; therefore, My wrath is heavy on their lives. My extortioners promise them lives of comfort, not in obedience to Me, My son. They shall be judged harshly because they refuse to use it for Me. Notice the million-dollar mansions of My televangelists, My son. Count their dollars there— how many are spent on Me and My Gospel? How many people do they send into My mission fields of lost souls, My son? They shall be judged harshly because they refuse to do My will, My son. Extortioners shall be gathered into Hell, extorting My people with false promises to get rich. My Word does not say to do that, misusing faith to accumulate money. My false televangelists shall endure Hell forever for exploiting My people. They refuse to do My will, which is world evangelism. Therefore, I shall judge them, and few survive My wrath, My son. Your LORD has spoken."
